### Davis Moonlight Run

Hello %FIRST\_NAME%!

Today is race day and we're so excited to include you in the 10 Mile Davis Moonlight Run tonight.

As you prepare for your race tonight, we wanted to remind you of the event details and times:

6:00 PM - Bib Pick Up Opens  
7:30 PM - Ten Mile Start  
10:00 PM - Course Cut Off for Support  
10:30 PM - Finish Line Closes

We suggest arriving one hour early to pick up your bib and tshirt. There is plenty of parking in the business park on the east side of Cousteau Place. The start and finish line are located in the parking lot of FMC Technologies, formerly Schilling Robotics, at [201 Cousteau Place, Davis, CA 95618](#).

When you receive your bib at registration tonight, you will be offered a glow in the dark necklace. It's not required to wear, but if you would like it, please take one and wear it during your race for added visibility during your run/walk once the sun sets.

As we have mentioned in previous communications, we suggest carrying fluids with you on your run/walk. There will be water stations approximately every two miles that will offer water and Superior Electrolytes. We also encourage all ten mile participants to wear a runner's headlamp or carry a flashlight. There are some portions of the Moonlight Run course that are dark.

The ten mile course map is below. View a hi-res PDF online here. There is a very slight change to it from the previously posted map, around the DMG Mori facility, before you cross I-80 on the footbridge. It will probably be unnoticeable to most, but we wanted to ensure you have a copy of the current map. This change was due to a last minute shipment that the DMG Mori facility received on Thursday that required us to shift the route slightly so that we didn't use the back of their property.

We will have pacers in the Ten Mile race from goal finish times of 1:20 (8:00/mile) to 2:20 (14:00/mile) in five minute increments. Our pacers all are very experienced at pacing and have run the course before, and are here to help you reach your race goals, whether that is a specific time, pace, or just finishing. Look for their pace signs and green 'pacer' bibs.

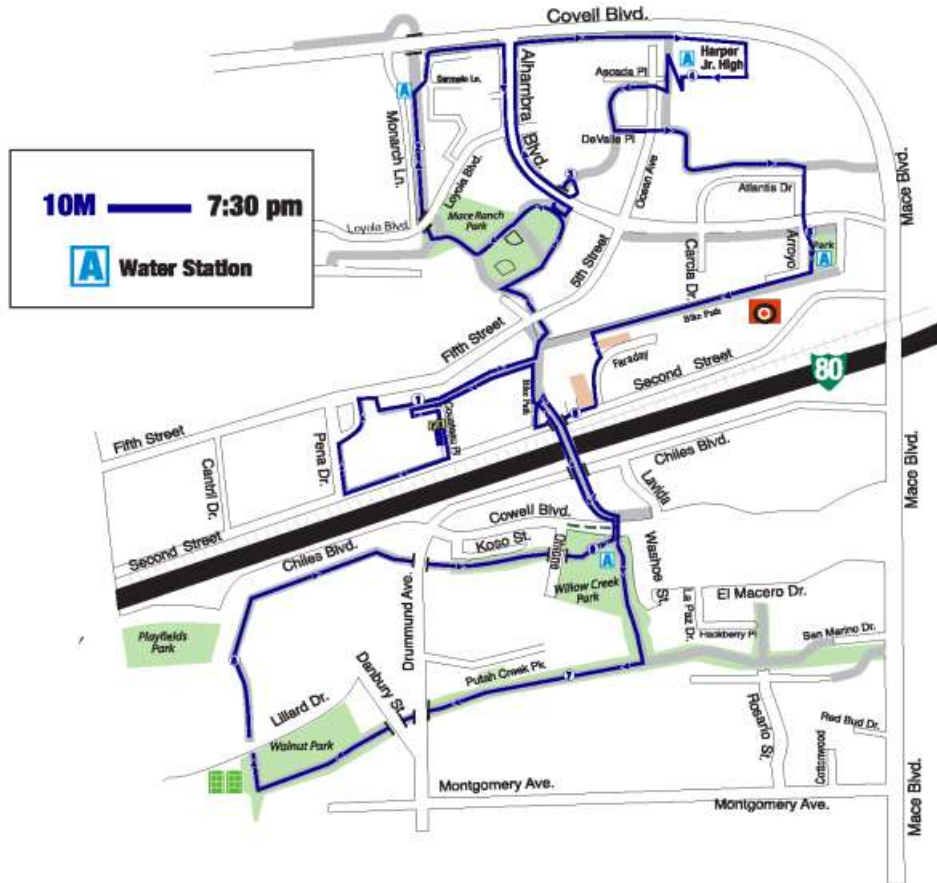

We look forward to seeing you tonight and hope that you have a fantastic time! After your race, we will have beer, watermelon and sno-cones, plus there will be a food truck on-site if you'd like to plan on eating dinner afterwards. Results will be available online at <https://results.changeofpace.com>.

See you soon!
