# DAVIS LABOR DAY RUN RACE UPDATES

## Venue Change for the Davis Labor Day Race

Hello and Happy Almost-End-Of-Summer!

We are writing to share several updates regarding our Davis Labor Day Race on Monday, September 4th.

### ★ (1) Slight Venue Alteration:

We learned on Tuesday that construction had begun that morning on 3rd Street from B Street towards G Street adjacent to Central Park (3rd and C). As in, the roadway where the start and finish line typically occurs, had been completely dug up.

And while an obstacle race around diggers, ditches, cones and gravel *DOES* sound like possible fun, we've decided instead to forego that opportunity and have moved the start, finish, and all race related activities one block south of Central Park, to the corner of 2nd and C Streets.

**All races will now start and finish at Lyon Real Estate, corner of 2nd Street and C Street, for 2023.** We are grateful to Lyon Real Estate for stepping up last-minute to help accommodate us in relocating the venue and for their generosity in allowing use of their property. Lyon Real Estate is located at 401 Second Street.

🕒 **Will This Impact The Courses?** No. We have already made the adjustments to our route to ensure they are the correct distances.

🅑 **What Does This Mean For Parking?** Parking is largely unchanged. You may park anywhere that is paved and not roped off throughout Downtown. Please be sure to cross at crosswalks and not through construction zones. Since it will be a holiday, two-hour parking enforcement will not be in effect throughout Downtown. Parking will still be available in the Central Park (C Street from 3rd to 5th) spaces.

📍 **What Address Should I Put Into My Map App?** Great question. You can park anywhere downtown, including the city parking structure on F Street (between 1st and 2nd) by the movie theater. Another option is utilizing the parking lot at First and A Streets. This is a UC Davis lot but there is no fee to park there on holidays (but be sure to check signage).

If you are coming from I-80, use the Richards Blvd. exit, head toward downtown, and turn left after coming through the tunnel (to head to the UCD lot) or go straight onto E St. to find street parking. From Hwy 113, take Russell Blvd east toward Downtown and turn right at the light at B Street.

## ★ How To Register:

## ★ Earn a Free Future Race Entry by Volunteering

We are looking for a dozen more volunteers to help on race day (Monday, Sept. 4) by helping **direct athletes on the race course.**

Volunteers will receive a race voucher they may use to participate in any distance for the Davis Turkey Trot (11/18/23) or Davis Stampede 2024 (2/25/24) for free.

- 🕒 7:00 am arrival time (check in at the Volunteer Check In booth near Lyon Real Estate, 401 Second Street, Davis)
- 🕒 You will receive a volunteer t-shirt
- 🕒 Races start at 8:00 am
- 🕒 Most course monitor assignments will be done by 9:30 am
