## The Lucky Run

September 28, 2021

Hello 2020 Lucky Run entrant:

2020 and 2021 have undoubtedly been challenging years for all of us. Like many organizations, the pandemic prevented us from what we enjoy doing, which is safely producing fun and healthy events. After 18 months away, we are currently working on rebuilding both our staff and race management/timing calendar, and are excited to try to bring back some of the events we enjoy producing. Our next event will be the Davis Turkey Trot on November 20.

The last event we were scheduled to produce before the virus hit was the 2020 Lucky Run, hence why I am writing. We plan on producing this event in 2022 and are working on finalizing the date. The tentative date is Saturday, March 26, and we will honor your 2020 entry by giving you the ability to transfer into the 2022 Lucky Run event.

If the date of the 2022 Lucky Run does not work for your schedule, we will be able to accommodate a transfer of your Lucky Run entry into the '22 Davis Stampede in February, or the option to participate in the Lucky Run virtually. The Davis Stampede is tentatively scheduled for 2/20/22. We will send more info on these options in our next communication. We will plan on sending you another update in December.

We appreciate your patience and continued support.

Stay safe and healthy,

Dave Miramontes

Executive Director / A Change of Pace Foundation
