Dear 2020 Lucky Run participant,

We're writing to follow up with you on the email we sent to you on October 28, 2021, regarding the rollover of your 2020 Lucky Run entry. We have not yet heard from you regarding how you would like to use your 2020 Lucky Run entry for 2022.

To recap:

The 2020 Lucky Run, which you were registered for, could not be held due to the onset of the Covid pandemic. We will be hosting this race on Saturday, March 26, 2022. Divisions will be the same: 5K, 7K, 10K, and a Kids Run.

As a registrant who paid for the 2020 race, **we are honoring your 2020 Lucky Run race entry by offering you to transfer your 2020 Lucky Run entry to the 2022 Lucky Run.**

If that date does not work for your schedule, **we are also offering an alternative race to transfer to - the 2022 Davis Stampede.** The Davis Stampede will be held on Sunday, February 20, 2022.

ACTION NEEDED:

We need to hear from you as to which option you would like so that we know how to handle your race entry.

Your options are:

- (1) Stay in this race - Register me for the Saturday, 3/26/22 Lucky Run event
- (2) Transfer my entry to the Davis Stampede (Sunday, Feb. 20, 2022) instead
- (3) Keep my registration fee to cover 2020 expenses - (Do not register me for either 2022 event)

What to do:

(1) Please read the three options over and
(2) select the option you would like by visiting <https://runsignup.com/Race/CA/Davis/LuckyRun> and making your selection.

Deadline to Respond is 1/1/22: We have a deadline so that we can smoothly handle all race transfers and most importantly, order the appropriate number of finisher medals and t-shirts for both new entrants and rollover participants for the Stampede and the Lucky Run. Because of ordering deadlines, we have to place this order in early January, therefore, we are asking for your response by January 1st.

To reiterate, you need to declare your intention by New Year's Day, January 1, 2022.

If you do not select an option below by January 1, 2022, you will not be registered for either event and will be defaulted to option #3. We regret we can not make exceptions after this date.

We look forward to seeing you at a starting line soon!

Please send us an email at acopfoundation@gmail.com if you have any questions.
