### Way to go, Stampede'rs!

While we know that each and every one of you had a different journey to today's finish line, we also know all those paths included resilience, hard work and determination to get there. Congratulations on your finish!

We're thankful you chose to spend your morning at our event. We'd also like to extend a huge thank you to our volunteers and volunteer pacers- all of you helped make everything come together on race weekend.

*Thank you to the Golden Valley Harriers for organizing our pace teams for the Half Marathon!*

*Happy 79th Birthday to Ellen, pictured here with her grandson. They traveled here from Oklahoma for the birthday race!*

Mark your calendars: Next year's Davis Stampede will be held on Sunday, February 24th; we hope that you will return.
